Hi Jim,

Thank you for emailing the NOI that lets us know your choice and is very helpful. As far as the hard copy goes as long as the postmark date is before the deadline you are all set.

Thanks,
Michele Duspiva

Hi Mike,

We have, I am not sure if it will be there by the 1st deadline, that is why I wanted to email it also.

Jim

Mike,

Thank you for submitting your Notice of Intent (NOI) to be covered under the Great Bay Total Nitrogen General Permit. Since the signature is not an electronic signature, please ensure you submit the "hard copy" to us as well at the following address:

United States Environmental Protection Agency
ATTN: Municipal Permits Section
5 Post Office Square – Suite 100
Mail Code – 06-1

Boston, Massachusetts 02109-3912

EPA will be sending you a letter in the coming weeks authorizing your facility to discharge under the General Permit. That letter will indicate the effective date (likely May 1, 2021) when your coverage will begin.

If you have any questions, please feel free to reach out to Michael Cobb at Cobb.Michael@epa.gov or (617) 918-1369.

Thank you,

Michele Duspiva

Hi Mike,

Here is a signed copy of Epping's letter to opt in to the Great Bay General Permit, Please let me know if everything is good or if we need to do something else.

Thank You

Jim Pouliot
Town of Epping
Water and Sewer Superintendent
